Media Management: Frame.io, Box, Dropbox, WeTransfer, Microsoft Office 365, Google Suite

EXPERIENCE

Camera, Graphics Operator | Northeastern University Athletics Production

Boston, MA · Dec 2025 – Apr 2026

- Operated live EFP cameras through 24 NCAA Division I varsity basketball and baseball broadcasts aired on NESN and FloCollege;
- Adapted quickly to equipment failures and inclement weather during live game coverage, keeping camera and graphics feeds running without interrupting the broadcast;
- Built and operated live graphics packages on AJT Livebooks for basketball and baseball broadcasts; updating lower thirds and stats in real time.

Multimedia Production Co-op | Goodwin Procter LLP

Boston, MA · Jul 2024 – Dec 2024

- Designed and built in-office broadcast sets, including backdrop configuration, three-point lighting rigs, audio and camera routing for company-wide livestreams;
- Created and modified motion graphics and lower-thirds in After Effects according to brand standards for broadcast-style video deliverables;
- Edited 20+ video projects in Premiere Pro and After Effects for internal communications and recruitment campaigns distributed to LinkedIn and company-wide platforms.

Sports Photographer & Videographer | Northeastern University Campus Recreation

Boston, MA · Sep 2023 – Nov 2024

- Filmed and photographed 30+ fast-paced intramural games and recreational events, capturing live game action across multiple sports including basketball, volleyball, badminton and tennis;
- Produced short-form promotional content for social distribution, averaging 6-10k views in Instagram Reels.

Lead Photographer & Videographer | Northeastern Powerlifting

Boston, MA · May 2023 – Feb 2026

- Head media producer and social media manager for a 60-member club sports team, capturing practices, competitions, and in-studio promotional shoots, managed junior photographers and all logistics, shooting, and editing end to end;
- Edited and delivered competition footage and photography packages in as little as 24 hours, with same-week turnaround for larger packages, averaging 6-11k views on Instagram Reels.

EDUCATION

BFA in Media Arts — Video Production Concentration

Northeastern University, Boston, MA · Graduated April 2026 · GPA: 3.57 · cum laude
